

## DVR-A07 & A07XL Drives – 8X Media Brands Compatibility

---

### OVERVIEW:

Many manufacturers offer a variety of DVD media formats and speeds. Pioneer is working closely with these disc manufacturers to ensure that the maximum number of media types are compatible with our writers.

This document provides a brief summary of the 8X media Pioneer tested and determined to be compatible with the DVR-A07 and DVR-A07XL writers. Pioneer has not determined the compatibility of media from manufacturers not included in this document.

### TECHNICAL DETAILS:
